

Privacy Policy

What data do we collect?

- Names of parents, teachers and adults who are friends of the school
- Email addresses
- Phone number (optional)

Why do we collect data?

Personal information collected by us via email is stored and used by us for the purpose of informing you about PTFA business. It will be used by us to communicate with you via email in order to:

- Update you about PTFA news
- Ask you for help with organizing and running PTFA events

How do we store and share your data?

We will store your data on Mailchimp, an online GDPR-compliant marketing platform. This will enable us to contact you safely and securely via email.

Your data will not be shared outside the PTFA, and will only be directly accessible by select members of the PTFA committee.
