School Attendance

guidance around
MOD absences from s

Principles

Regular and punctual attendance is of paramount importance in ensuring that all children have full access to the curriculum. Valuable learning time is lost when children are absent or late.

Children should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable. Permitting absence from school without a good reason is an offence by the parent.

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a child is reluctant to attend, covering up their absence or to giving in to pressure to excuse them from attending should be avoided. This gives the impression that attendance does not matter and may make things worse.

Every half-day absence has to be classified by the school, (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of each absence is always required.

Authorised absences are mornings or afternoons away from school for a reason such as genuine illness or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This includes:

- ❖ ***parents keeping children off school unnecessarily***
- ❖ ***truancy before or during the school day***
- ❖ ***absences which have never been properly explained***
- ❖ ***children who arrive at school too late to get a mark***

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. If difficulties cannot be sorted out in this way, the school may refer the child to the Education Support, Behaviour & Attendance Service from the Local Authority. The Practitioner will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed, these Officers can use Legal Interventions on parents or to seek an Education Supervision Order on the child. The maximum penalty on conviction is a fine of £2500 and/or 3 months imprisonment.

Procedures

The school has the following standard procedures for registration:

- Registration time is from 8:50 until 9:00am, with registers closing at 9:30am
- Any child arriving during the registration window is on time.
- Any child arriving between the end of the registration window and the registers closing will be marked as late.
- Any child arriving after the closure of the registers will be marked as absent. The authorisation of such absences will follow the regular criteria.
- Afternoon registration is at 1:15pm.
- Early pick up of children is not authorised, unless for certain medical appointments (not all, please see below for criteria)
- Late pick up of children after school will be monitored and if necessary referred through safeguarding procedures.

The school applies the following procedures in deciding how to deal with individual absences:

- Sickness absence should be reported to the school office absence line before 9.30am on the first day of absence and follow up calls made to keep the school informed if the absence is longer than one day.
- Planned absence during term time that is not medical should be requested in writing using the school form and parent should be issued with the "Request for leave of absence in term time" leaflet issued by ESCC.
- GP and dental appointments should be made out of school hours unless it is an emergency in which case the child may well not attend school that day for that reason.
- Hospital appointments which are arranged should be arranged for out of school hours or for the afternoons where possible.
- Hospital appointments which are given (e.g. for certain clinics which only run at given times) parents should request an appointment that will enable their child to be in school for as much of the day as possible. All children should be in school for the first part of the morning wherever possible.
- Private or alternative health care appointments will not be allowed (authorised) in school hours unless supported by a GP letter and evidence that the practitioner only provides

services in school hours.

- A pro forma letter to clinics and health services from school outlining our policy and requesting appointments at certain times can be obtained from the school office by parents to help them in making suitable appointments.

It is not usually appropriate for the school to authorise absences for shopping, looking after other children, day trips, family birthdays etc. Leave may, however, be granted in an emergency (e.g. bereavement) or for medical appointments which must be in school time.

The school has adopted the following attendance targets and special projects:

Pioneer Federation has adopted an acceptable rate of attendance as 96%, with a target of 97.5%. This will be monitored in the following ways:

Before starting our school:

- Parents are made aware at prospective parents' events, open days and home visits that the school take attendance seriously and about our expectations.
- Parents will also be made aware that by sending their child to school before they are 5, they are obliged to follow the policies of the school which includes not taking children on holiday in term time.

Absence & lateness from R-Y6:

- Administrative staff at each site will phone all families of absent children daily at 9.30am if there has been no information received as to where the child is.
- Admin staff will publish the weekly attendance for each class on both the website and in the weekly newsletter using a colour coded "traffic light" system: 100% - gold; 96.5-99.9% green; 95-96.4% - amber; <94.9% - red.
- Reports will be given to Senior Leaders & Exec Head by admin staff fortnightly for each class and will show:
 - Attendance % for that class
 - Children with less than 90% attendance and their individual %
 - Punctuality % for that class
 - Children with less than 90% punctuality and their individual %
 - Patterns or concerns within those individual children's reports
- Senior Leaders will employ the ESBAS flow chart for any children highlighted in the report.
- In addition, attendance and punctuality rates will be reported to governors at every Full Governing Body meeting, and the "Disproportionality relating to Persistent Absence in school" will be scrutinised to identify any vulnerable groups.
- Parents of children who are displaying persistent absences which are not for valid reasons (see above) and are not showing signs of improvement will be asked to attend the Governor's Attendance Board where they will explain the reasons for absence to members of the Governing Body.

In cases where there are concerns over absence, this will be communicated to parents in the following ways

1. Communication with class teacher, including discussions on impact on learning and progress.
2. Meeting with SENCO and class teacher
3. Meeting with Assistant Head
4. Meeting with Executive Head
5. Involvement of ESBAS (East Sussex Behaviour and Attendance Service at the Local Authority)

Good levels of attendance and punctuality will be encouraged through the following:

- Weekly praise in the school newsletter and on the website for classes with excellent attendance (over 96.5%)
- Weekly attendance award, given to the class with the highest attendance
- Termly certificates awarded for over target attendance for that term:
 - 96.5%-97.9% bronze award
 - 98 – 99.9% silver award
 - 100% gold award
 - All children awarded a gold certificate for the term will have their name entered into a draw to win a voucher
- Special awards can be given at the discretion of the SLT e.g. “much improved punctuality”.

Appendix 5: ESBAS flow chart

THRESHOLD FOR CORE/TRADED ATTENDANCE CASES

School are able to use units to purchase early intervention on attendance without having to have previously addressed attendance concerns with parents. Absences can be authorised/unauthorised for Traded cases. Traded referrals need to be sent to ESBAS@eastsussex.gov.uk email address and core referrals sent to ISEND Front Door as shown in the flow chart below.

ESBAS will undertake the intervention at a unit cost agreed with the Area Team Leader. Where a Family Keyworker (FKW) is involved it is an expectation that if strategies used by the FKW have not improved attendance, that this is then raised with school to consider a referral to ESBAS. **NB Where a FKW is involved, School and ESBAS must ensure that the FKW is invited to any meetings and receive copies of any correspondence/updated information.**
