Equality Policy

May 2019: This policy has been reviewed in line with the Anti-bullying Policy, Behaviour Policy, Accessibility Plan, SEND Local offer, PSHEe and RSE Policies.

Why we have developed this Equality Policy

This Equality Policy for the Pioneer Federation is a single policy for all protected characteristics covered under the Equality Act 2010. We are committed to developing cohesive communities both within our school's physical boundaries and within our local, national and global environments. Our school embraces the aim of working together with others to improve children's educational and wellbeing outcomes, and notes the rights set out in the UN Convention on the Rights of the Child.

Our Equality Policy is inclusive of our whole school community – pupils/students, staff, parents/carers, visitors and partner agencies - who we have engaged with and who have been actively involved in and contributed to its development.

The purpose of this Policy is to set out how our practice and policies have due regard to the need to:

- eliminate discrimination, harassment and victimisation;
- advance equality of opportunity and
- foster good relations between groups.

It explains how we will listen to and involve pupils, staff, parents and the community in achieving better outcomes for our children and young people.

Our school within the wider context

The national demographic presents an ever-changing picture in terms of age, race and ethnicity, disability, religion and belief, sexual orientation, gender reassignment and social deprivation.

Pioneer Federation schools and nursery educate children from the age of 2-11. The majority are from white British backgrounds and speak English as a first language. There is a minority group of children from the Gypsy, Romany Traveller community.

Overall aims of our Equality Policy

- To eliminate discrimination, harassment and victimisation.

- To promote equality of access and opportunity within our school and within our wider community.
- To promote positive attitudes to difference and good relationships between people with different backgrounds, genders, sexual orientation, cultures, faiths, abilities and ethnic origins.

To ensure that equality and inclusive practice are embedded across all aspects of school life, the Equality Policy refers to the UN Convention on the Rights of the Child, which includes recognition of a range of educational, wellbeing, and material outcomes¹.

The themes are reflected in our Equality Objectives.

Our approach

We seek to embed equality of access, opportunity and outcomes for all members of our school community, within all aspects of school life.

Our vision statement about Equality

Pioneer Federation aims to foster warm, welcoming and respectful environments, which allow us to question and challenge discrimination and inequality, resolve conflicts peacefully and work and learn free from harassment and violence.

We recognise that there are similarities and differences between individuals and groups but we will strive to ensure that our differences do not become barriers to participation, access and learning and to create inclusive processes and practices, where the varying needs of individuals and groups are identified and met. We therefore cannot achieve equality for all by treating everyone the same.

We will build on our similarities and seek enrichment from our differences and so promote understanding and learning between and towards others to create cohesive communities.

Our duties

We recognise and accept our equality duties as set out in the Equality Act 2010 and have sought to involve the whole school community in the process of developing this policy in order to ensure better outcomes for all². We have due regard to the need to ensure that persons with a protected characteristic are not disproportionately, negatively impacted as a result of our decision or policy making. We positively foster good relations between and within different groups of pupils/students and the wider school community.

² See *Appendix A* for further information about legislation

We are also guided by the United Nations Convention on the Rights of the Child³ as well as recognising and accepting our duty to have due regard to the need to prevent people from being drawn into terrorism (The Prevent Duty 2015) and promote the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

We will ensure we identify opportunities for promoting our vision, the key concepts and our duties on equality legislation across all aspects of school life

These opportunities are likely to include all or some of the following, dependent on our current priorities.

- preparation for entry to the school
- breaks and lunchtimes
- the provision of school meals
- interaction with peers
- opportunities for assessment and accreditation
- exam arrangements
- behaviour management approach and sanctions
- exclusion procedures
- school clubs, activities and school trips
- the school's arrangements for working with other agencies
- preparation of pupils for the next phase of education
- learning and teaching and the planned curriculum
- classroom organisation
- timetabling
- grouping of pupils
- homework
- access to school facilities
- activities to enrich the curriculum, for example, a visitor to the school or Theatre in Education (TIE).
- school sports
- employees' and staff welfare
- the involvement of a broad and diverse range of children, young people, their parents and partner agencies
- school policies

The roles and responsibilities within our school community

Our Executive Headteacher will:

- ensure that staff, parents/carers, pupils/students and visitors and contractors are engaged in the development of and review of the Equality Policy
- oversee the effective implementation of the policy including communicating with staff parents/carers, pupils/students and visitors and contractors about the policy
- ensure staff have access to training which helps to implement the policy

³ <http://www.unicef.org.uk/Education/Rights-Respecting-Schools-Award/Childrens-rights/>

- develop partnerships with external agencies regarding the policy so that the school's actions are in line with the best advice available
- monitor the policy and report to the Governing Body at least annually on the effectiveness of the policy and publish this information
- ensure that the Senior Leadership team is kept up to date with any development affecting the policy or actions arising from it

Our governing body will:

- designate a governor with specific responsibility for the Equality Policy
- ensure that the objectives arising from the policy are part of the school improvement plan
- support the Executive Headteacher in implementing any actions necessary
- engage with parents and partner agencies about the policy
- evaluate and review the policy annually and the objectives every 4 years

Our Senior Leadership Team will:

- have responsibility for supporting other staff in implementing this Policy
- provide a lead in the dissemination of information relating to the Policy
- with the Executive Headteacher, provide advice/support in dealing with any incidents/issues
- assist in implementing reviews of this policy as detailed in the SIP

Our school staff will:

- be involved in the development and review of the Policy
- be fully aware of the Equality Policy and how it relates to them
- understand that this is a whole school issue and support the Equality Policy
- make known any queries or training requirements

Our pupils/students will:

- be involved in the development and review of the Policy and will understand how it relates to them, appropriate to age and ability
- be encouraged to actively support the Policy

Our parents/carers will:

- be given accessible opportunities to become involved in the development of the Policy
- have access to the Policy through a range of different media appropriate to their requirements
- be encouraged to actively support the Policy
- be encouraged to attend any relevant meetings and activities related to the Policy
- be informed of any incident related to this Policy which could directly affect their child

Relevant voluntary or community groups and partner agencies will:

- Be involved in the development and review of the Policy
- Be encouraged to support the Policy

- Be encouraged to attend any relevant meetings and activities related to the Policy

How we developed our Policy - Participation and Involvement

The development of this policy has involved our school community. We've involved and listened to what they have to say, including people from broad and diverse backgrounds and of different abilities, taking account of the protected characteristics listed under the Equality Act 2010.

- Our pupils/students

We have pupil governors who contribute to all events and systems in school. We complete an annual pupil questionnaire to gain pupil voice regarding all elements of school life. Suggestions are taken from the children through to SLT meetings to review and amendments made as appropriate.

- Our staff

All staff complete an annual questionnaire to share their views. Suggestions are acted on either at a 1:1 level or within SLT, amending policy where required. The policy is shared at staff meetings and at the INSET training at the beginning of each school year.

- Our school governors

This policy will be ratified by the full governing body.

- Parents/carers

Parent questionnaires are completed annually and are made available at parent consultation evenings in order to target the harder to reach parents. The policy is shared at Parent Forum meetings and is available on the school website

- Minority, marginalised and potentially vulnerable groups

The policy is available on the website for all and is shared verbally at parent forum meetings. Paper copies of the policy are available in the school office.

- Ongoing:

The policy will be widely available and we welcome comments and feedback from all stakeholders.

How we developed our Policy - Using information

We know our school well because we regularly collect information about ourselves in a variety of ways and other people help us to do this.

We collect a range of information relating to incidents of harassment and bullying including those relating to racism, homophobia, transphobia, biphobia, faith, disability and gender.

OfSTED inspectors visit us regularly and report on how we are actively promoting equality and diversity, tackling bullying and discrimination and narrowing any gaps in achievement between different groups of children and learners, as well as how we are promoting British Values and preventing radicalisation and extremism, preparing pupils/students to respect others and contribute to wider society and life in Britain.

The most recent OfSTED reports in the schools stated that the behaviour and safety of pupils was of a high quality. Safeguarding Reviews from the local authority and SIAMS inspections also support this.

Where our community is lacking in diversity, children have been exposed to education around other cultures through curriculum enrichment (e.g. International days based around specific countries – Syria, India, Mexico, China), PSHE sessions, RE (education about other religions and their impact)

We have established good links with our local and our wider community. We welcome them into our school. From them, we learn about equality issues outside school and can establish mechanisms for addressing them within school.

By listening to those within our community and to our partners, we are able to identify new areas of work, improve existing approaches and focus our energy where it is required.

Our Staff

We comply fully with legislation which protects our staff (including teachers, teaching assistants, supervisors and student teachers) from discrimination based on the protected characteristics. With regard to disability, we make such reasonable adjustments as are necessary to prevent a disabled person being at a substantial disadvantage in comparison with people who are not disabled.

This includes discrimination in relation to recruitment, terms and conditions, promotions, transfers, dismissals, training and employment practices (such as dress codes) and disciplinary procedures. We make efforts to ensure that the diversity of our workforce reflects that of our local community and wider society. In accordance with the Equality Act we do not enquire about the health of an applicant until a job

offer has been made⁴ or require job applicants to complete a generic 'all encompassing' health questionnaire as part of the application procedure.

We will ensure the safety and well-being of our staff and take seriously and act on incidents of harassment and discrimination recognising that our staff may be either victims or perpetrators.

We interpret our duties positively; take the necessary actions to remove barriers to inclusion and work hard to ensure a safe, positive and inclusive environment.

Our staff team have undertaken training to help them understand their equality duties/and or the differing needs of protected groups within our school community. We have mechanisms in place to identify areas for development.

All staff receive annual training on safeguarding and the prevent duty (September 2019)

DSL and deputies receive update training every 2 years. DSL takes part in CPD annually to ensure the school is fully informed and fully compliant.

⁴ Unless the questions are specifically related to an intrinsic function of the work - for example ensuring that applicants for a PE teaching post have the physical capability to carry out the duties.

Responding to hate or prejudice-based incidents and bullying

We recognise that hate incidents or prejudice –based bullying behaviour is driven by negative assumptions, stereotypes or misinformation. These are then directed against an individual or group, based on difference (real or perceived), and linked to, for example, racism, sexism, homophobia, transphobia, biphobia, negative views of disabled people or people who practise a religion or follow a faith. We will take action to prevent, challenge and eliminate any such behaviour.

We recognise that we as individuals and society often struggle with difference of any kind (perceived or actual), which can result in seizing upon the most visible sign of difference e.g. skin colour or disability.

Through our school ethos and curriculum, we want our pupils/students to understand better the diversity that exists in society. We want to provide opportunities for them to explore the subtleties and complexities in order to prevent and respond to incidents and situations. We will address the experience, understanding and needs of the victim, the perpetrator, bystanders and the wider school community through our actions and responses.

We will record all hate incidents and prejudice based bullying. We will use this information to identify trends and patterns, so that we have approaches in place to provide appropriate responses in terms of support for victims and their families, sanctions and support for perpetrators and their families and education for our children, young people and communities.

Anti-Bullying policy is in place and reviewed regularly. A child-friendly version is shared with the children regularly and is part of our PSHEe curriculum. We take an active part in National Anti-Bullying Week and invite guest speakers, specialists and presenters into school to engage the children and parents in this. All monitoring of behaviour (including bullying, racist and homophobic incidences) are reported termly to the Full Governing Body. In these incidences, parents/carers are informed and the policy is fully followed through.

Implementation, monitoring and reviewing

This policy was published in **May 2019**. It will be actively promoted and disseminated.

Will be shared via the school website, school newsletter, Pupil Governors and Parent Forums

Implementation, monitoring and review are the responsibility of our Senior Leadership Team and our governors who have agreed and published this policy which sets out our priorities and supports these with specific and measurable objectives.

We will report annually on the policy and our equality data analyse whether the policy and related objectives have furthered the aims of the general equality duty and in particular educational outcomes for all within our school community with reference to the protected groups.

Currently have working groups involved in gaining the Anti-Bullying Quality Mark and this policy will support that work.

Equality Objectives

Using the views of pupils/students, parents, staff and community and analysis of the information as outlined above we have set ourselves specific and measurable objectives that will help us achieve the aims of the general equality duty. These will be reviewed and published every 4 years. See Section 3.

Appendix A Key legislation

Equality Act 2010

Equality Act 2010

Harmonises and streamlines existing equality legislation into one Single Act.

The Act protects pupils from discrimination and harassment based on 'protected characteristics':

- Disability.
- Gender reassignment.
- Pregnancy and maternity.
- Race.
- Religion or belief.
- Sex.
- Sexual orientation.

This relates to:

- prospective pupils
- pupils at the school
- in some limited circumstances, former pupils

The Act also contains positive action provisions which enable schools to take proportionate action to address disadvantage faced by particular pupils. Such action could include targeted provision, resources or putting in place additional or bespoke provision to benefit a particular disadvantaged pupil group.

The Public Sector Equality Duty commenced in April 2011.

There are exceptions to enable single-sex schools to admit only pupils of one sex and for schools with a religious character to enable them to have admissions criteria which give preference to members of their own religion.

For more information:

<http://www.education.gov.uk/aboutdfe/advice/f00215460/equality-act-2010-departmental-advice>

Accessibility planning

Accessibility planning is a statutory duty and can be incorporated into this policy.

Schools must plan for:

- Increasing access for disabled children and young people to the school curriculum
- Improving access to the physical environment of schools, and
- Improving the delivery of written information to disabled children and young people

Auxiliary aids and services:

We acknowledge our duty to provide auxiliary aids as part of the reasonable adjustment duty for all schools as from September 2012

- The school and the Local Authority acknowledge our reasonable adjustment duties under the Equality Act 2010. We will consider whether to provide auxiliary aids that are directly related to disabled children's educational needs as a reasonable adjustment, particularly where the child is not provided for under an SEN statement, or where the statement does not provide the auxiliary aid or service.

The first plans were required to be in place by April 2003. Therefore as schools come to review their accessibility plans they could consider building these actions into their Equality policy.
