Dear Parents/carers,

Nativity Performance

As we are going to be unable to invite parents to our Nativity Performance this year, we would like to create a virtual one that will be shown in school for the children and accessed via a password for parents on our school website.

We are planning on filming the children do their parts (whilst remaining in their school bubbles) on the 9th December, giving us time to edit the show together. They will use a school costume (if needed) which will be washed before and after their use of it.

We have had an offer from a fully DBS checked parent to make the recording and take photos. The recording will then put onto the school website, accessible only by password.

If you are happy for your child to be included within this recording, please sign the consent form below and return to school on **Monday 23rd November**. Unfortunately, if there are too many parents who do not give consent, the recording will not be made.

Please do not hesitate to contact me if you have any questions.

Yours sincerely,

Miss A Banks
