

30/11/20

Dear Parents,

This week we will be

- Learning the th and ng sounds and practising our tricky and high frequency words such as that, they, then and this.
- We will be segmenting for spelling, attempting to write such words as king, song, ring, thin, thick. You can always practice these words at home to support the learning that is happening at school.
- We will be reading one of our favourite books, 'Snow Bunny's Christmas Wish' and talking about how kind Snow Bunny is to all the new friends that he makes.
- We will be writing letters to Father Christmas so that we can take them to the post box next week!
- We will be making beautiful Christmas cards for our lovely buddies in Lilac Class.
- We will be continuing to look at all of the shapes that Kandinski incorporated in his artwork and will create more artwork inspired by his work.
- We will be designing our own Christmas stamps and giving them a value.
- We will be wrapping some 'presents' of different 3D shapes and talking about what they are called.
- In PHSE, we will think about all the different houses people live in around the world.
- In RE we are learning the story of 'The Nativity' and talking about Jesus' birth and how Christians celebrate this special time

At home...

It would be great if you could..

- Continue to listen to your child read each day or as often as possible.
- Help your child to practice their high frequency and tricky words.

Thank you so much for all of your support.

Miss Munn, Mrs Boldero and Miss Bews
