

09/11/20

Dear Parents,

This week we will be

- Learning the sounds j, v, w and x and practising recognising the words we, me, he, she and be.
- We will be thinking about Remembrance and what it means. We will be making our own poppies using paper plates and torn paper.
- We will be finding out about a special dog called Stubby who supported some soldiers during the war.
- We will be learning a poem called 'What is Red?' and making up our own versions using our own favourite colours.
- We will be learning how to form the number 8 and will be practising careful counting. We will also be revisiting the language of addition.
- We will be creating patterns using lego that our friends can try and copy.
- In PHSE, we will be talking about what makes us special and unique.

At home...

It would be great if you could..

- Go on a sound hunt and find things in your home that begin with any of the sounds that we have learned so far.
- Talk with your child about some of the things that make them special and unique. Can they think of things that make other family members special and unique?
- Hunt for numbers as they walk or travel to school.

Thank you so much for all of your support.

Miss Munn, Mrs Boldero and Miss Bews
