

7/12/20

Dear Parents,

This week we will be ....

- Learning the **oo** and **oa** sounds and practising our tricky and high frequency words such as that, they, then and this.
- We will be segmenting for spelling, attempting to write such words as **book, look, moon, soon, boat, goat, toast, float**. You can always practice these words at home to support the learning that is happening at school.
- Learning the new tricky words **all** and **are** and revising the tricky words we have learned so far **and, to, the, I, no, go, into, was, we, me, he, she, be, my, you, her, this, that, then, they, they**
- Reading the story of Stick man and thinking about the journey he goes on
- Writing about the Stick man story
- Sorting sticks by size order and having a go at measuring them
- We will be looking at the number 13 and playing some number games
- Thinking about Christmas!

At home...

It would be great if you could...

- Continue to listen to your child read each day or as often as possible.
- Help your child to practice their high frequency and tricky words.
- Help your child to practise writing their name independently
- Count objects around the house, how many shoes are there? How many plates at the table?

Thank you all for your ongoing support throughout this term The children have all settled extremely well and are making some great progress. We hope you take the holiday time to enjoy some rest together with your families.

Miss Munn, Mrs Boldero and Miss Bews
