Tuesday 9th February 2021

Dear St Mary's Families,

Online learning review and Parents' consultations

As we have now been doing remote learning for a term, we would like to review our policy and gain your feedback and suggestions as to any changes we could make to improve it. We are awaiting further information from the government about when and how we are able to reopen but, after half term, there will still be at least two weeks of remote learning (along with potential bubble closures in the future) so we would like to review what we currently have in place.

We would ask that you please fill out this [online form](#) before Monday 22nd February.

We were due to hold parents' consultations during the week beginning 8th March. As we will not have taught the majority of the children face-to-face for 8 weeks by then, it will be challenging for teachers to provide you with up to date assessment information, and any suggested targets moving forward. We are going to postpone these consultations and, all being well, they will now happen during the week beginning 3rd May when, hopefully, we will all have been back in school for a while. We are unable to say whether these will be virtual or face-to-face and will write to you with more information about these meetings closer to the time. There will be enough meeting slots for all children in all classes, no matter how the meetings are held.

Please do not hesitate to contact us if you have any questions.

Yours sincerely,

Mr J Procter
Executive Headteacher

Miss B Hare
Head of School
