Dear Lilac Class Families,

As part of our PSHE curriculum we will be running some RSE (relationships and sex education) sessions for Lilac class this term.

We will be using a mixture of the Channel 4 programme, *Living and Growing*, and the Jigsaw scheme of learning as a base for this work. Each session will show some footage and be followed up with time for questions and discussions. Boys and girls will be taught separately for these sessions.

It may be helpful for you to talk to your children in preparation of the sessions and afterwards to answer any questions they might have. We ask that you remind them not to discuss the content of these sessions with any other classes in the school, as this is not appropriate for younger children.

There will be a total of 5 sessions. Please see below for more information:
