## School Photographer

The school photographer (Tempest Photography) will be coming into school on **Wednesday 16<sup>th</sup> June**. They will be taking photographs of class groups and Year 6 only, which will be available for each family in that class/year to purchase.

As they will be taking photos of your child(ren), and this is personal data, under GDPR regulations we must gain consent from parents before they can do so. If you would like to find out more about GDPR compliance and Tempest please follow this link: <https://www.htempest.co.uk/gdpr>. The following has been copied from their website:

*Each image is assigned a random and unique identifier. This is the 10 digit reference parents see on their order forms. After the photographs have been taken, they are then encrypted and sent to our laboratory. The school is left a CD/USB with images contained in folders to be uploaded onto the system.*

If you would like your child to have their photos taken, please complete the attached slip and return it to the school office by **Friday 11<sup>th</sup> June** for **each** child. Without this consent, your child **will not** be able to have their photo taken.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

Mrs Annette Funnell  
School Secretary
