

Term 6 newsletter

What did the Ancient Greeks do for us?

Dear Parents,

Welcome back to Term 6! We hope you have enjoyed the half term and some sun! This term we are finding out about the lives of Athenians and Spartans and comparing how they lived as they were very different! Then we are learning about the battle of Troy and how they used the ingenious trick for the Trojan Horse. For our DT project, we are designing and making mini working chariots!

Reading	Please read with your child at least three times a week at home and ensure it is signed and dated. A member of staff will be checking reading diaries on a Thursday and counting the minutes for miles!
Spellings	Spelling tests are every Monday and your child will be tested on the spelling pattern they had learnt about the previous week. There are methods for learning spellings on the school website.
Maths	Maths homework will be set on a Monday and will be expected to have been completed by the following Monday. Maths homework will be set on 'MyMaths' and the children have their logins stuck in the front of their homework books. If your child finds the task tricky, there is a revision lesson that they can use first. Parents are encouraged to sit with their child(ren) during homework and write a comment into their Homework book if they are giving support to inform teachers.
Times Tables	Children will learn their tables and practise these in school at least twice a week. Each child has a Times Table Rockstars login and should be practising their tables (either on this website or in another way) three times a week at home. These logins can also be found stuck in the front of the children's homework books. Year 4s – please practise the times table check on Maths Frame once a week (https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check).
Grammar	Grammar homework will be sent home on a Monday and your child will have 2 weeks to complete this. The homework will be based on the grammar they will be learning within their literacy lessons. This should take around 40 minutes. To help with our in-class assessments, please indicate when you have helped your child. The children will have their own CGP homework books and will be set specific pages to do each fortnight. Parents will be able to see which pages their child(ren) has been set by looking at the homework stickers in their homework books.

Reminders – Please can you make sure your child brings in a water bottle each day, ensure all jumpers are labelled and bring a coat. It may be the summer term, but it is still cold! Willow class have PE on a Monday afternoon with Mr D and swimming on a Tuesday.

If you have any questions or queries, please do not hesitate to ask. Many thanks for your continued support.

Miss Roberts
